What is this **interview?**

We are here to have a friendly chat in a safe place to understand your experience better. We will ask you questions and listen carefully to everything you have to say to find solutions and make sure that you feel comfortable and safe

Why we do this **interview?**

1. **Hear your side of the story:** We create a relaxed spot for you to share your story in your way, which helps us learn what happened and how to keep you safe
2. **Understand your needs:** We use what you tell us to make sure you have everything you need, like doctors, people to talk to and that you are safe from bad people

What happens during this **interview?**

We will be in a comfortable room and we will ask you questions and hear anything you have to say regarding what happened

Your parents or guardians will be waiting for you just outside and you will see them in a little bit

When and **how long** will the **interview last?**

When you will do the interview: Sometimes we start right away and sometimes you will have to wait a few days if it is not very urgent

How long will it take: Our talk will not take very long, and if you're tired, we will take a break and continue after to make sure we hear everything you want to say
